# INSTITUTION CODES LIST

FOR THE NATIONAL GEOLOGY EXAMINATION

---

This "**Institution Codes List**" is to be used exclusively to assist candidates who are sitting for the National Geology Examination to identify the college/university from which they received their geological science degree (BA/BS, MA/MS or PhD/DSc). The Institution Codes are assigned by the American Geological Institute (AGI). AGI has authorized ASBOG® to use these Codes strictly for the purpose intended.

Candidates will be asked to provide this information on their answer sheet. (Please refer to the ASBOG® *Proctor Manual* provided with the examinations for complete instructions.) This information will be used only to provide institutions with aggregate data on how their students – on average – performed on the examination. Candidate examination scores are considered confidential information and will not be provided to the institutions.

The complete **Institution Codes List** is provided by state. Guidance is also provided in the ASBOG® *Proctor Manual* for those Candidates whose institution is not listed or if they do not have a degree in the geological sciences. The complete ***Institution Codes List with Index*** is also available on the public section of the ASBOG® Web site ([www.asbog.org](http://www.asbog.org)) under the heading "Candidate Resources."

**THIS DOCUMENT IS TO BE RETURNED TO THE ASBOG® OFFICE WITH THE EXAMINATION SHIPMENT.**

# INSTITUTION CODES INDEX

## CANDIDATES . . .

For the National Geology Examination, you will need to bring with you to your Examination Site the Institution Code for the college/university from which you received your geological science degree (BA/BS, MA/MS or PhD/DSc). You will be asked to provide this information on your examination answer sheet. The Institution Codes are assigned by the American Geological Institute (AGI) and are being made available to ASBOG® candidates.

This information will be used only to provide institutions with aggregate data on how their students – on average – performed on the examination. Candidate examination scores are considered confidential information and **will not** be provided to the institutions.

The complete Institution Codes List follows. Find your state in the Index below, then look for your institution(s) in the listing. If you do not find your institution on the list, or you do not have a degree in the geological sciences, you will be provided with instructions to complete the appropriate section on the answer sheet at the Examination Site.

ASBOG® thanks you in advance for your assistance and wishes you well on your Examination!
