
Arkansas

Registration Status: Practice Regulation

Effective Date: July 1, 1988

Exemptions: Teaching and non-public research, state and federal geologists. However, all government entities must contract with a registered geologist or an Arkansas firm with a registered geologist.

ASBOG® Membership: Member Board

Update: The Board is now part of the Arkansas Department of Labor and Licensing.

State Contact:

Name: Kelli Black

Title: Board Administrator

Address: Arkansas State Board of Registration for Professional Geologists
900 W. Capitol, Suite 400
Little Rock, AR 72201

Phone: (501) 683-0150

E-mail: kelli.black@arkansas.gov

Web site: <http://arpgboard.org>

Board Composition: State Geologist (permanent member) and five geologists each representing one of the following areas of government, academic, company, consultant and at-large, and one public member

Requirements:

Education: Have graduated from an accredited college or university with either a major in geology, engineering geology, geological engineering or an earth science-related major that has been approved by the State Board of Registration for Professional Geologists. Such a degree will have to consist of the appropriate number of hours of geologic courses that would normally constitute a geology degree and will be evaluated on a case-by-case basis.

Experience: At least seven years, three of which include responsible charge, under professional geologist, supervision. A maximum of two years undergraduate and two years for graduate study can be substituted to a maximum of four years.

Examination: ASBOG®

First ASBOG® Exam: April 1997

Continuing Education: None

Grandfathering: Ended May 1, 1989

Cooperative Licensure - (Comity/Reciprocity): Agreement with Mississippi, Texas and Louisiana

Registrant Count: PGs: 418

GITs: 5

Information Updated: October 3, 2022
