State Contact:

Name: Pamela Girt
Title: Executive Director
Address: Wyoming Board of Professional Geologists
2617 Lincolnway, Suite 1
Cheyenne, WY 82001

Phone: (307) 742-1118
E-mail: prof.geo@wyo.gov
Web site: <http://wbpg.wy.gov>

Board Composition: Seven members: Six professional geologists appointed by the Governor and the State Geologist, who is an *ex officio* member of the Board, also a professional geologist, appointed by the Governor.

Requirements:

Education: Bachelor's degree in geology (or another four-year academic program) from an institution of higher education approved by the Board, but with a minimum of 30 semester or 45 quarter hours of geology course work. At least twenty-four (24) of the semester hours or thirty-six (36) of the quarter hours in geology should be in at least five (5) of the following subject areas: economic geology, engineering geology, environmental geology, field geology, geochemistry, geomorphology, geophysics, hydrogeology, mineralogy, paleontology, petrology, sedimentology, stratigraphy, or structural geology.

Experience: Four years of active professional practice in geologic work of a character satisfactory to the Board; no credit is given for post-Baccalaureate degrees.

Examination: ASBOG®

First ASBOG® Exam: October 1992

Continuing Education: No

Grandfathering: Ended June 30, 1998.

Cooperative Licensure - (Comity/Reciprocity): Can grant comity or reciprocity provided applicant meets the minimum Wyoming educational and experience requirements, and (1) has passed the ASBOG® examination or an examination which the Board has deemed comparable, or (2) held a "grandfather" license in another state for a minimum of five years.

Wyoming has a Memorandum of Understanding with the Wyoming Board of Professional Engineers.
